### **JOB 1: LOGO & TAGLINE**

Your local Business Professionals of America chapter has decided to design and create documents for local businesses as a fundraiser. One local video production business has contacted your advisor and would like your group to design a logo for them to use in promoting their new venture.

The new company is Creative Memories Production. The company owners would like you to create a logo and a tagline for them. Resize images as needed. Graphic files do not have to be used.

### **JOB 2: LETTERHEAD & ENVELOPE**

Creative Memories Production would like you to design a letterhead and envelope for them to use in promoting their new venture. The company owners would like you to include the logo and tagline you designed in Job 1 on the letterhead & the envelope (size 10 – business envelope). They also want to make sure you have a top and bottom border to set off the top and bottom business information from the letters that will be sent. Finally they would like either CMP (business initials) or Creative Memories Production used as a watermark in the center of the letterhead. Resize images as needed. Not all graphic files must be used.

### **JOB 3: DOORKNOB HANGER**

Creative Memories Production would like you to design a doorknob hanger to use as a promotional piece for their company. The doorknob hanger will be distributed throughout the local area to attract business. Use the following information as a guide for creating the hanger: The hanger should be 8 inches long and 4 inches wide. There should be a 2.75-inch hole placed 1 inch down from the top of the hanger. Please use solid lines to create your door hanger guides (outside of rectangles & holes). Don't forget you will be creating both the front and the back of the hanger.
