Application

Welcome to Business Professionals of America!

What is BPA?

- Co-curricular organization that supports business and information technology educators by offering co-curricular exercises based on national standards.
- 43,000 members and over 2,300 chapters in 23 states.
- Leading CTSO (Career and Technical Student Organization) for students pursuing careers in business management office administration, information technology, and other related career fields.
- Workplace skills Assessment Program (WSAP) covers 72 competitive events.

Mission of BPA

Contribute to the preparation of a world-class workforce through the advancement of leadership, citizenship, academic, and technological skills.

Vision of BPA

We are committed to developing the best possible career and technical education organization for students in the United States. The measure of our success will be the perception that alumni of Business Professionals of America are highly competent and skilled workforce professionals who enable business and industry to maintain the economic vitality and high quality of life associated with our celebrated United States of America.
