Description

Assess use of current desktop technologies and software to prepare and deliver an effective multimedia presentation.

Topic

Health and wellness initiatives in the workplace are a current movement in the business world. Research and create a proposal for a business in your community to implement a health and wellness plan for their employees.

Things to consider, but not limited to:

1. Identify the demographics of the business and community.
2. How does health and wellness affect productivity?
3. What will your health and wellness proposal include?
