Property of Business Professionals of America.
May be reproduced only for use in the Business Professionals of America
Workplace Skills Assessment Program competition.

General Instructions

1. Make certain this test booklet contains Parts I-V.
2. Correct all errors.
3. For any problem where you would normally use your reference initials, use your contestant number. Your name or initials should NOT appear on any work you submit. Key your contestant number and job number in a footer on all documents in the lower left-hand corner of all work submitted.
EX: 99-9999-9999
Job 1
4. If you finish before the end of the testing time, notify the proctor of the contest. Time may be a factor in determining the winner in the event of a tie.
5. When turning in your completed work, place your scoring sheet on top of all of your jobs. The jobs should be arranged in numerical order. Turn in all partial jobs completed.

Part V: SOAP Note—100 points

Patient Name: Leo McCarthy

PCP: Martha Stewart, M.D.

Date of Birth: 01/22/49

Date of Exam: one week before today (###/##/2016)

Sex: Male

SUBJECTIVE:

Patient returns after undergoing barium swallow last week. He is not in as much discomfort as his last visit. States that he has been taking clear liquids only and is very hungry.

OBJECTIVE:

Lab results are back. Chem 7 shows slightly elevated glucose at 133. CBC and UA are normal. Barium swallow shows two small areas of ulceration.

ASSESSMENT:

Gastric ulcer.

PLAN:

Reduce Omeprazole to 10 mg qd. Recheck glucose at return visit in 4 weeks.
