General Instructions

You have been hired as a Financial Assistant and will be keeping the accounting records for Professional Business Associates, located at 5454 Cleveland Avenue, Columbus, Ohio 43231. Professional Business Associates provides accounting and other financial services for clients. You will complete jobs for Professional Business Associates' own accounting records, as well as for clients.

You will have ninety (90) minutes to complete your work. The test is divided into two parts: concept knowledge and application of knowledge.

Your name and/or school name should *not* appear on any work you submit for grading. Write your contestant number in the provided space. Staple all pages in order before you turn in your test.

Assumptions to make when taking this assessment:

- Round all calculations at the final step.
- Use 360 days for interest calculations.

MULTIPLE CHOICE

Directions: Identify the letter of the choice that best completes the statement or answers the question.
